Experience

Writer/ Editor

April 2018 - Present

Freelance

- Wrote story and script, both original and adaptative
- Held Live roleplay sessions based off popular IP's
- Compiled pitch decks for large scale projects based on client needs
- Edited scripts, papers, and copy for grammar and content

Assistant Show Set Designer

Dec. 2022 – March 2023

Escape New Haven

- Fabricated Escape Room set pieces and show elements from components to finished product
- Aided Senior Show Set Designer with digital modeling and problem solving

Show Writer/ Actor

May 2022 – Jan 2023

Tales from the Canard Islands Roleplay Server

- Crafted immersive and interactive story and moderated for an original roleplay group of 80+ people
- Maintained audience engagement and kept guest interest over the entire lifetime of the server
- Guided a team of assistant moderators to keep the 24/7 gameplay healthy, inclusive, and interesting

Show Writer/ Director/ Producer

Nov 2021 – May 2022

SCAD Scripted Immersive Events

- Directed a team of 30 creatives and actors to bring immersive, guest focused events such as Murder Mysteries to life
- Oversaw character design, story arc, and narrative structure to create compelling characters and an interactive narrative
- Managed the logistics and budget for production and promotion
- Increased event participation while adhering to current and new COVID policies
- Entertained and engaged 150+ guests for 3+ hour events

Script Writer

Jan 2022 – May 2022

Gemsouls

- Created immersive characters for consumers to interact with
- Developed script for an AI character based on popular IP's
- Researched characters to write them with an authentic voice
- Created an AI script from conception to final product in a month's time

Playwright/ Assistant Director

Feb 2022 – April 2022

Savannah Historical Theater

- Participated in the 48 Hour Play Festivals, where an original play was written, directed, and staged in 48 hours
- Assisted in stage set up, rehearsal, and story direction
